## What's new at the Kangaroo Island Lodge?

It's all happening at the Kangaroo Island Lodge. New Managers, a new Chef and a partial refurbishment.

Mark and Judy Sickerdick have brought the Lodge back to life. With years of experience managing properties throughout NSW and Victoria, they have made their mark on Kangaroo Island.

New Chef, Rene Clifford, has created a mouth-watering menu specialising in local cuisine and utilising fresh local produce. From King George Whiting to Herb Crusted Lamb Rack let Rene tantalise your taste buds.

Starting in 2008, our lovely Waterview rooms received a full refurbishment with new furniture, linen, paint and upgraded bathrooms. Our Bayview rooms and Poolside

rooms, similarly, have received new linen and paint.

So why don't you come along and have a look for yourself!
